

Dear Andrew Werth,

Please let other UHS Behavioral Health Hospitals know that the OPS® Vandal Proof & Suicide Resistant Soap Dispenser has worked very well for us here at Copper Hills Youth Center.

Before OPS®, our soap dispensers would break constantly.

I'm happy to say that we've been using the OPS® soap dispenser for over a year and a half now and have not had a single broken dispenser! We couldn't be happier.

I like that the OPS® dispenser can be used in our patient showers, patient sinks, and outside each patient room.

I look forward to evaluating the matching paper towel & toilet paper dispenser.

Sincerely,

Jared Weight
